Dr. D. Raghavendra Rao.—As regards medical supply, tenders were called and tenders came from various firms. It is well-known that nobody in Cochin State manufactures drugs. There are only dealers in drugs and the policy that is hereafter going to be followed is to give it to the person who bids the lowest tender consistent with quality. And as such, we are going to place tenders directly with the manufacturers who have quoted the lowest figures.

The motion was withdrawn with leave of the House.
